DETAILED ACTION

Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose the limitations as set forth in the claims: a method for transmitting data among robotic mechanisms and a controller computer system in an automated data storage library comprising the steps: of providing a communication protocol for communicating among robotic mechanisms and said controller computer system, the robotic library communication protocol defining a plurality of fields for each packet including a preamble field that is equal to a particular value; transmitting data among the robotic mechanisms and controller computer system utilizing the communication protocol; and each packet that conforms to the protocol including only the preamble value in the preamble field.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Wae Lenny Louie whose telephone number is 571-272-5195. The examiner can normally be reached on M-F 0800-1630.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas G. Black can be reached on 571-272-6956. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
